1. Minutes of the 1983 General Meeting of the Association are presented on the other side of this newsletter.
2. The members of the board wish to take this opportunity on behalf of the membership to thank Roger Shannon for his efforts on our behalf during his years on the board.
3. The September 10, 1983 Surf Pines clean-up day was rather disappointing. Only eight (8) people and two (2) pickups showed up for the work party. A considerable amount of debris was trucked to the burning pile but tree trimming along the Surf Pines roads was only started. A different approach will be required to the Surf Pines area clean-up in the future. Your suggestions will be appreciated.
4. A number of security alarm systems have malfunctioned in Surf Pines recently. These have caused Dan Strite and Howard Corder considerable extra effort.

Homeowners in Surf Pines who have home security systems are requested to contact Dan Strite (738-8748) or Howard Corder (861-1170).

5. Your board has assigned the following duties to each board member:
